OPEN HOUSE

SINGLE PASS
IN-LINE PACKAGING PRINTING
at GEWA Etiketten
**JUNE 03 and 09
2016**

THE FUTURE IN PACKAGING WEB, IN-LINE, SINGLE PASS.

We are proud to invite you to our In-line Packaging printing demo at GEWA Etiketten working with Pantec RHINO. Come and see efficiency in Luxury Packaging. Make sure to join the Pantec event including interesting round table discussion with Uwe Refflinghaus (Technical Director at GEWA Etiketten) and other experts of the printing industry. Experience an impressive live demo of a single pass production: Printing (Offset, Flexo, Screen), high end refining including foil, micro embossing and debossing, security features, die cutting.

LUXURY PACKAGING WITHIN SHORTEST TIME. INLINE. FROM WEB TO PACKS.

Visit the renowned german printing company GEWA-Etiketten GmbH together with Pantec and see a live in-line production of highly decorated luxury packaging produced in a narrow web printing press.
